

Northtown Neighborhood Association

Meeting date/time: Tuesday, October 30, 6:30 pm

Location: Grand River Elementary School, just north of Grand River Avenue between New York Avenue and Massachusetts Avenue. Entrance is on the east side (Massachusetts Avenue), and we meet in the gym immediately inside. There is limited parking available on the street but there is a parking lot on New York Avenue and a small parking area just north of the school off of Massachusetts Avenue.

We have invited the candidates for First Ward and At Large. We have not yet announced a format, but will probably begin with about 3-4 minutes for each candidate to speak, followed by some form of Q & A.

We will be providing food that evening - hot dogs, and I am a little fuzzy on whether we are cooking hamburgers as well - in hopes of encouraging a good turnout. We usually have some excellent home baked cookies or other goodies as well.
